

CRIMSON POINT ELEMENTARY SCHOOL

BRANDON CRUSAT - PRINCIPAL

Dear Wildcat Team Member!

I hope everyone enjoyed their Spring Break and are ready for the last couple of months ahead of us. I wish to share some information with you all in our monthly Principal's Update. Thank you!

Levy/Staffing

Crimson Point is grateful the levy passed and will be directly and positively impacted. As of now, Crimson Point will be hiring two additional teachers and we are absolutely thrilled at the caliber of candidates we are interviewing. In addition to adding more teachers, we are eager to start moving forward with our new ELA curriculum adoption.

ISAT

Starting next Tuesday, April 9th, our 3rd, 4th, and 5th grade students will be taking the ISATs. Through collaboration with our technology department, teachers, and other administrators, we have developed a schedule that we believe will set our students up for success. Students will only be taking the ISATs one day a week (April 9th, April 16th, April 23rd, and April 30th. 5th Grade students will take an additional Science ISAT on May 7th), which will allow students and teachers the ability to focus on instruction the majority of the week and not be inundated with assessments. Students will also be taking ISATs in the morning, allowing students to have more focus.

Calendar

Our school calendar for the 2019/2020 school year is now available.
